The professional and personal life of Chelsea Tyler

Steven Tyler is a leading American singer of the rock ‘n’ roll band Aerosmith, and he earned the nickname ‘Demon of Screaming’. His band received four Grammy Awards and became very popular. Furthermore, the band was inducted into the Hall of Fame in 2001 and released various music albums. Tyler married three women and divorced them. Chelsea is the daughter of Tyler, who began her career in both music and acting. She is now one of the most successful personalities in the entertainment industry.

The early life and education of Chelsea Tyler

Chelsea was born on March 6th, 1989, in Marshfield, Massachusetts, USA. Her mother, Teresa Barrick, is a clothing designer, and she is the third wife of Steven Tyler. She is also the half-sister of Liv Tyler, a famous American actress. Steven and Teresa divorced in January 2006, and she has another half-sister, Mia Abagale Tallarico. She matriculated in 2007, and the details of her further education are not available. Her intention is to become a singer, and she started singing when she was 6 years old.

Chelsea’s career

Chelsea didn’t make any attempts in the music industry and appeared in the short drama "Aerosmith: Fly Away From Here", in 2001. She was featured in the family comedy series" Lizzie McGuire" in one episode the next year. Chelsea Tyler worked as a singer and actress in some movies and TV series for a decade. She also performed along with her father, Stephen, in 2009 at the opening ceremony of the Thayer Academy Center.

Who is Chelsea’s husband?

Chelsea started to date Jon Foster in 2015, and they were in a relationship for 5 years. They formed the band Kaneholler and focused on their solo careers. She gave birth to a boy in 2020 and stopped performing for Kaneholler. Apart from this, the couple released two EPs that made them popular.

What is the net worth of Chelsea?

Currently, Chelsea has a net worth of around $100,000, while her father’s net worth is around $150 million. She is very active on Instagram and uploads her photos regularly, which have close to 5000 followers. Chelsea has been to various US states along with his father and visited some Asian and European countries. She is a fitness enthusiast and attends gym training sessions once a week. Besides, she likes watching movies in her spare time. Her wealth may increase if she makes more attempts in the entertainment field.
